TOUR HIGHLIGHTS

May 29- June 1, 2024

The Tulsa Race Massacre (*also called the Tulsa race riot, the Greenwood Massacre, the Black Wall Street Massacre, the Tulsa pogrom, or the Tulsa Massacre*) took place on May 31 and June 1, 1921.

This tour will pay homage to the martyrs of the 1921 Tulsa Race Massacre and celebrate the resilience of the Greenwood spirit and the Black Wall Street mentality. It was the wealthiest Black community in America. However, within 24 hours, black residents were attacked and the city was annihilated by mobs of white residents (many of them deputized and given weapons by city officials), bombed from the air and burned to the ground. The Greenwood District trailblazers turned trials, tribulations, and tragedy into a triumph of the human spirit. *Their legacy endures...*
